

Welcome to Alton Infant School HSA

Every parent or carer of a child at Alton Infant School is automatically a member of our HSA (Home School Association)

What is the HSA?

The HSA is a group of parents/carers who organise fun events to raise additional funds for the school. We are a registered charity with a committee which includes a Chairperson, Secretary and Treasurer.

HSA fundraising

Throughout the school year we put on lots of different events that are fun for the children and parents/carers too! We hold cake sales, coffee mornings, Mother and Father's day gift sales, film nights, discos and summer fetes for the children.

Where the money we raise goes

Many items around the school and playground have been purchased with the HSA's help including play equipment and children's water bottles. We provide presents for the year group Christmas parties and an entertainer as part of the Christmas festivities. We also contribute to provide extra educational resources, educational visits and visitors, workshops and visiting performers. The Open Box Theatre company to support topics, Bollywood dance workshops, Scootability workshops and more!

How to get involved?

There are many ways to get involved, from coming up with fundraising ideas, organising and helping out at the events, giving cakes for cake sales. And not everything is done in school – some of our volunteers wrap gifts at home! We appreciate everyone's involvement and any time that can be given.

It's a great way to meet other parents/carers and get to know the staff. Everything we do benefits your child as they start out in their school careers. By getting involved with the HSA you will help to ensure that we can keep providing those extra benefits for all the children.

All being well our next HSA meeting is planned for Thursday 17th September at 2.15pm in the Community Room – we hope to see you there!

Thank you
