

Keeping Children Safe On-line.

If you are concerned about a child's on-line safety, please contact the school office on **01429 83857** or email adminoffice@alton-inf.hants.sch.uk so that they can immediately find a Designated Safeguarding Lead for you to talk to.

Alternatively you can call Hampshire Children's Services on **0300 5551384** or the **Police**.

Equally, if your concerns relate to any on-line activity or behaviour of a member of staff (which could suggest that s/he is unsuitable to work with children) please ask to speak to a DSL in confidence, who will refer the matter to the Headteacher (or the Chair of Governors if the concern relates to the Headteacher) and procedures will be followed.

The school's Designated Safeguarding Leads (DSLs) are:-

Mr. Richard Mead
(Headteacher)

Mrs Lily Hill-Venning
(SENDCO)

Mrs Karen Cooper
(Early Years Lead)

Below are some useful resources to help keep your children safe on-line.
