Headteacher: Mrs Stacey

Monday 28th September 2026

Dear Parents/Carers,

I hope you have had a good weekend!

## Parent Consultations

Our parent consultation meetings will be taking place soon. These are a valuable opportunity to meet with your child's teacher, hear about how they are settling into school and discuss their learning and progress. We will let you know the confirmed dates and booking arrangements as soon as these have been finalised. Thank you for your patience.

## Harvest and Food Bank Assemblies

We are looking forward to celebrating Harvest with the children on 8th October with an assembly, followed by our Food Bank Assembly on 5th November. These are lovely opportunities to help our children understand the importance of kindness, sharing and supporting others in our community. Ms Chandler will be sending out further information on Friday 2nd October about food donations and how you can help us support these wonderful causes. Thank you, as always, for your generosity and support.

## Keeping Our Children Safe

At Alton Infant School, the safety and wellbeing of every child is our highest priority. We have clear child protection and safeguarding procedures in place to ensure that children are safe, listened to and well cared for. All staff receive regular safeguarding training and know how to recognise and respond to any concerns about a child's welfare. We work closely with families and, when necessary, with other professionals and agencies to make sure children receive the right support. If we ever have a concern about a child's safety or wellbeing, we will always act in accordance with our safeguarding procedures and our legal responsibilities. Our aim is to create a school where every child feels safe, valued and able to thrive.

## Thank You for Keeping Our Site Safe

A big thank you to all our parents and carers for supporting our request not to bring bicycles onto the school site**.** We really appreciate your cooperation and the care you are taking to help keep our children, families and staff safe. Keeping the school site clear and safe at busy drop-off and collection times makes a real difference, and we are very grateful for your continued support.

Kind regards,

Stacey Serdet
Headteacher
