Alton Infant School
Sowing the seeds of learning

Headteacher: Mrs Stacey Serdet

Monday 19th October 2026

Dear Parents and Carers,

I hope you have all had a nice weekend. I can't believe our first half a term is nearly coming to an end!

Online Concern

I would like to bring to your attention a concern regarding online characters known as Sprunki, which have become a popular topic of conversation among children in our school.
Although the characters may initially have appeared to be suitable for children, concerns have been raised about some character content that is now being created and shared, including dark and potentially inappropriate material.
We kindly ask all parents and carers to monitor their children's online activities, check the websites and games they are accessing, and take an interest in the characters and content they are viewing or playing with.
Please speak to your children about staying safe online and encourage them to tell a trusted adult if they come across anything that makes them feel uncomfortable or worried.
Your support and vigilance are greatly appreciated in helping us keep our children safe, both in school and online.

Attendance Frog!

We were excited to introduce our new Attendance Frog to our celebration assembly on Friday. Each week, we will celebrate the class with the highest attendance, who will win the special honour of keeping our Attendance Frog in their classroom for a whole week! The frog will join them in their learning and be part of their classroom adventures. Last weeks' winner was Pine Class with 95.9% attendance - Well-done!

Jewellery

For health and safety reasons, jewellery is not permitted in school. The only exception is stud earrings; all other jewellery must be removed before coming to school.

Road Safety – Free Parent Webinar

Parents and carers are invited to take part in a free lunchtime webinar during Brake's Road Safety Week in November. The session will offer practical advice on how to set a positive example and help children make safer choices when walking, cycling and travelling in a vehicle. Please use the details below to find out more and access the information leaflet.

Have a lovely week ahead and enjoy half term next week. All children return on to school on **Tuesday 3rd November 2026.**

Kind Regards,

Stacey Serdet
