

Headteacher: Mr Richard Mead

Wednesday 7th July 2021

Dear Parents and Carers.

As I am sure you have heard, the children have enjoyed visiting their new year groups over the last few weeks and have spent quality time enjoying lots of classroom and outdoor activities. It has also been really good to see the children getting to know the staff in their new year group. For your information below, I have set out the staffing structure for each year group and class for the next academic year. Please note that, sadly, Mrs Peacock who currently teaches in Oak Class, will be leaving us at the end of this term. Mrs Peacock is looking **forward to spending more time focusing on her passion of illustrating children's books. I am sure you will join me in wishing Mrs Peacock every good wish for the future.**

This Friday, 9th of July, the children will be enjoying a whole day with their new teacher and teaching assistant(s) in their new year group and classroom. Please drop off and pick up your children at the usual place as they will be starting and finishing the day in their current classrooms. At the end of the day, you will **receive a letter via your child that will give the details of your child's new class, teacher and teaching assistant(s).**

The children are looking forward to starting in their new year group and I know that the staff have an exciting day planned for them this Friday.
